## A Note From Mrs. Tiefertal

It was wonderful getting to meet and see everyone again at our SJPII Open House. We appreciate all the families that took the time to see what has been happening at SJPII! We loved having you! All raffle basket winners have been drawn and the students will be taking home the baskets from school tomorrow! Thank you to everyone who purchased tickets, Iron Mills tickets, and 50/50 tickets. We appreciate your generous support!

We have received many questions about various clubs and when they will be starting. Due to limited spacing in the building, we are rolling out the clubs at separate times throughout the school year. This will allow for more students to participate in all the clubs offered and not have to pick one over another. Information will be sent home in advance with an overview of the club and the grade levels that can participate.

## Important Information
