A Note From Mrs. Tiefertal

The Junior Achievement Program will be starting this week for students in K-6. Students participate in weekly lessons on entrepreneurship, work readiness and financial literacy through experiential hands-on programs. These various grade levels programs are taught by volunteers or the classroom teacher. SJPII students always look forward to the JA Program and we are happy to be starting up again this school year. Thank you to the volunteers who will be helping this year! We appreciate your time and dedication!

We are halfway through the 3rd grading quarter this week. Progress Reports will be going home for students in grades K-6 on Monday, February 28th.
