

KENNEDY CATHOLIC FAMILY OF SCHOOLS

Saint John Paul II Elementary School • Kennedy Catholic Middle / High School

Kennedy Catholic is proud to bring the *National Federation of High School Sports Network* video sourcing to our families, alumni and friends! NFHS Network is the leader in streaming Live and On Demand high school sports. Watching all our winter home games, many away games, and games from around the county is part of the service. You can watch live on any device from anywhere.

NFHS has installed professional cameras in our gymnasium and outside at the football stadium. All events in our gym and field, both athletic and school programs such as graduation, will be available to watch Live or On Demand. This is a great resource for family members not able to attend in person or for a coach, team or individual to view films. All games and special events are available for purchasing as keepsakes as well.

Please visit the link below to review the opportunities NFHS streaming has to offer our students and their families, and to create an account.
