EGG PAINTING

Our very own 7th and 8th graders attended a presentation out on by Alumn Renee Stigliano about Ukrainian egg painting. This tradition is all about creating meaning through art when prayer is prohibited in a time of war. The process of Pysanky is tedious to say the least as the artist uses melted wax to create intricate designs on the eggs. Each design is dyed a different color and more wax designs are added. The wax is then removed at the very end, revealing a beautifully decorated egg.

WHAT HAPPENED

DAYS TIL SPRING

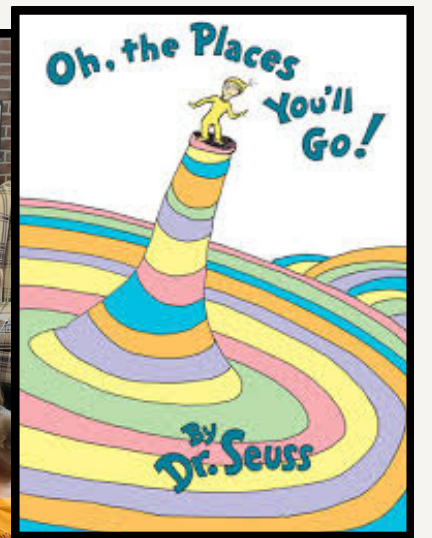

Spring is coming! Winter is coming to an end and the sun is back. This week has been a great week for the weather. The temperature has went and the sky is clear! Reminder to keep healthy and spend time outside. Go for a walk, read a book or just soak up the sun!

DR. SEUSS READINGS

The senior class had the opportunity to read Dr. Seuss to the students at Saint John Paul II for reading across America week. Seniors read to grades Kindergarten through 6th. After reading, the senior class was able to share their plans for after high school with the children. They encouraged the kids to follow their dreams and strive to be the best in everything they do.

BYE BYE LIBRARY

As most of you have probably noticed, the library has been closed. Our very own interior designer has been working closely with our administration to come up with the best learning environment possible. They are working hard putting in new lighting and flooring, painting, and making this a place of true studying.

HIGHLIGHTS

PLAYOFFS

March 14th the girls basketball team will compete to win the Quarter Finals at Armstrong high school at 6pm. There will be a fan and student bus for anyone who would like to go. The bus will depart from Kennedy at 4pm.

DAY LIGHT SAVINGS

Daylight Savings Time involves setting the clock forward by one hour during warmer months to make better use of daylight in the evenings. It started during World War I to conserve fuel and is still used in many places today, including the U.S. from March to November. Supporters say it saves energy and reduces accidents, while critics argue it disrupts sleep and has minimal energy benefits. Some regions are moving to abolish DST, reflecting ongoing debates about its effectiveness.

MR.P

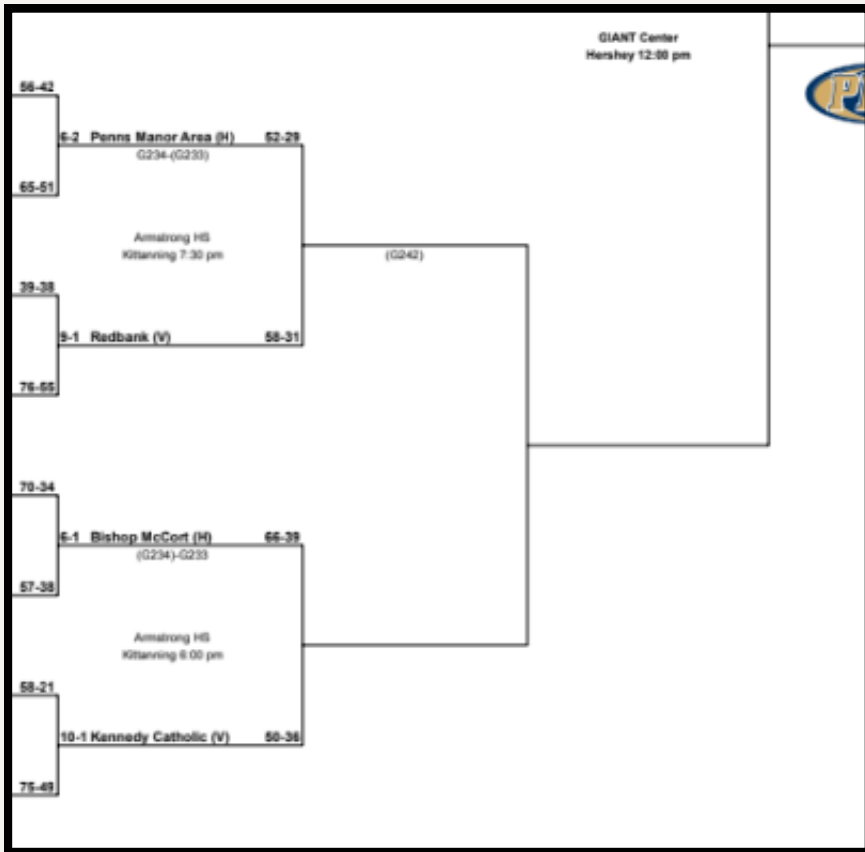

Mr. P joined the KC Family this year. Mr. P is from Hatti. Mr. P teaches Spanish for grades seventh for twelveth but also speaks French. Mr. P loves the family environment here at Kennedy. He is a very friendly teacher and easy to talk to. Mr. P loves to dance and have fun. He brings a smile to Kennedy everyday.

ASH WESNESDAY

Ash Wednesday recently happened. Our students celebrated the Mass and got their ashes on their forehead by Mrs. Suhar and Father Powers. The Mass was very beautiful. As Lent continues on our Kennedy Catholic family grows closer in their faith. A special shout out to the students who read during Mass. We appreciate your devotion.

EVENTS

GIRLS BASKETBALL SCHEDULE

BOWLING

After a strong main season, our KC bowling team has advanced to the first round of playoffs. These bowlers have shown much determination and growth this season. Their next match will be against Greenville at Celebrity Bowl on Friday, March 14, 2025. Please congratulate our amazing bowlers!
